

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized within the business as strong and durable equipment which suits all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are obtainable in the market under the brand name "Encore". American Lincoln could supply warranty service, machines and components for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location due to the model's excellent quality and supreme performance level for polishing concrete.
